COLORADO SCHOOL OF MINES

Teacher Enhancement Program

Fall 2022

REGISTRATION

All of the courses announced in this brochure are coordinated through the Office of Special Programs and Continuing Education at the Colorado School of Mines. **Unless another organization or individual is specified as the registration contact in a course listing, enrollment forms and tuition checks/credit card information should be mailed or faxed to:**

Teacher Enhancement Program
Colorado School of Mines
924 16th St., Suite 221
Golden, CO 80401
(303) 384-2695 FAX
(303) 384-2692

Visit our home page at
<http://te.csmspace.com> for the
most up-to-date course listings.

You must pre-register at least 48 hours prior to the start of a workshop (Saturday and Sunday excluded). Do not show up for a class without a confirmed registration from the Teacher Enhancement Office or person/organization taking the registrations. You are likely to be turned away by the instructor. CSM reserves the right to assign audit (non-credit) status with full tuition responsibility to walk-in participants.

TUITION AND REFUND POLICIES

Registration through Teacher Enhancement must be accompanied by full tuition payment by check or credit card authorization. If a course registrant cancels or transfers an enrollment, the tuition amount **minus** a \$25 cancellation/transfer fee will be refunded or applied to another course. Unless otherwise indicated, you must cancel at least 48 hours in advance of a workshop to qualify for a refund (Saturday and Sunday excluded). **Once a class has begun, no full or partial tuition refunds will be granted.** Colorado School of Mines reserves the right to cancel a course (usually one week prior to delivery) if the minimum enrollment is not reached (with full tuition refund to registrants). Colorado School of Mines and the Teacher Enhancement Office will not be liable for any other expenses incurred by registrants.

When paying tuition by check, please make out a **separate** check to “CSM Continuing Education” for **each** course and for **each** participant.

ATTENDANCE POLICY

Course participants are expected to attend each class session in its entirety. This includes arriving on time and staying until dismissal. Credit will be granted for a course only when the full contact hour requirements have been met. Missed sessions of a course cannot be made up by attending subsequent offerings of the same class or by completing additional assignments. In consideration of the instructor and other course registrants, **DO NOT** bring children of any age to class under any circumstances.

TRANSCRIPT AND CREDIT INFORMATION

The Teacher Enhancement Office and Colorado School of Mines cannot be responsible for meeting individual deadlines for credits toward teacher licensure and/or salary increases. Official transcripts for current course work can be printed upon written request approximately two weeks after the instructor submits course grades to the Teacher Enhancement Office. Individual letters of completion are not available. Graduate-level semester credit offered for each course is applicable for license renewal in the State of Colorado and is generally accepted elsewhere. The credit is not applicable toward a degree at CSM. Request for Transcript of Record forms can be found at www.mines.edu/Outreach/Cont_Ed/tep15.html.

All policies and requirements stated above are program-wide and not at the discretion of individual instructors. Enrollment in any course offered for CSM credit implies your agreement to comply with program policies and requirements.

Fall Course Offerings

VIRTUAL FALL BIOTECHNOLOGY IN THE CLASSROOM (GR. 9-12)

Instructors: Janie Butler, Fan Yeung

Registration Fee: 0 (you must pre-register)

Learn molecular biology labs and lessons designed to introduce students to the field of biotechnology; learn more about the Biotechnician Assistant Credentialing Exam (BACE) credential for students; and learn more about emerging biotech research and career opportunities for students.

To register or for more information, contact:

Janie Butler, Colorado BioScience Institute

jbutler@cobioscience.com or 303/749-0078

BEYOND THE CLASSROOM: AQUATIC ECOLOGY RESEARCH & ENVIRONMENTAL ISSUES

(GR. 4-12)

CT-1742-22F

1 semester credit hour

Dates & Times:

October 24 (7:30am-8:00pm) & October 25 (7:30am-4:30pm)

Location: Keystone Science School

Instructors: Douglas Kennedy, Megan Adamson

Tuition Fee: \$55 (**payable during workshop**)

Registration Fee: \$70 (includes meals, lodging, materials)

Get all the tools necessary to facilitate a complete unit on environmental issues. The lessons from this workshop can form a stand-alone unit or supplement a KSS overnight field trip. Explore challenging topics, such as climate science and how it relates to ecology, while learning about all sides and perspectives of an issue. We will be using the topic of water in the West to explore an environmental issue but lessons we present will be adaptable to any local, regional, or global issue. Receive lesson plans that are adaptable to any grade. Gain ideas and techniques for engaging the local community while learning how to get students out of the classroom and experiencing the chosen issue first-hand.

Location: CSM campus, Golden

Instructor: Trey Corkern

Tuition Fee: \$215 (**\$235 after Nov. 17th**)

Discover the fascinating stories of the first Native Americans in Colorado. Discover how cultures used different strategies to adapt to Colorado's unforgiving landscaper. Practice your hand at hunting techniques, use hand drills to start fires, learn archeoastronomy, and create ceramics.

NATIVE AMERICAN GAMES AND TOYS (K-8)

CT-0104-22F

1 semester credit hour

Dates & Times:

December 10 (9:00am-5:00pm)

December 11 (9:00am-4:00pm)

Location: CSM campus, Golden

Instructor: Pam Batton

Tuition Fee: \$220 (**\$240 after Nov. 17th**)

Explore the games and toys of different indigenous people in this hands-on history class. Toys show relationships between regions and their natural resources. They also teach how and why those resources were utilized. Through play you'll discover that many of the toys and games also had other benefits, such as modeling of adult roles and physical conditioning. Make several toys and games to take back to your classroom. Great for indoor recess activities!
